## Affordable Key System

The Cobra Key System is ideal for the Auto Dealer. Keep track of your vehicles when checked out by your staff. Easily identifies who has checked out the vehicle. Keys are either on the board, or are checked out by the authorized personnel.

Cobra Key Systems has products for the car lot. "The Outback", Cabinets, Wallboards, Dealer Plate Control Boards, and for the service department "The Station".

**Service Station 20 Units with Work Order Bags \$ 295.00**

## “The Station” Service System

The Station is designed for the Service Department. The Station minimizes lost technician time and upset customers due to misplaced or lost keys. Keys are locked onto the work order bag and the paperwork is inserted in the bag. The technician checks out the work order while the keys remain locked into place. The work order and keys are returned to the front desk upon completion of the work.
